Dear Mr. Penney:

The Division of Oil, Gas and Mining recently sent you the enclosed inspection report, and it was returned by the Post Office with a new address. Contact information on all your Notices of Intention to Commence Small Mining Operations as listed above needs to be updated.

Please furnish a replacement page with this information for each of the Notices. Blank Notice forms are available on the Division's web site at http://linux1.ogm.utah.gov/WebStuff/wwwroot/minerals/permit_forms.html. Some of your Notices are on BLM forms which should be updated with replacement pages for those forms.

Please furnish this information by July 16, 2012.

Please me at 801-538-5261 if you have questions about this letter or need assistance.

Sincerely,

Paul B. Baker
Minerals Program Manager
